Mr. Howland Wood,
137-17 Franklin Ave.,
Flushing, N. Y.

Dear Mr. Wood:-

I am in receipt of your letter of the 12th inst., regarding renewals of Insurance Policies, covering Mrs. Wood's car, formerly placed by Theodore Averill. When Theodore died, last year, his widow, Mrs. Averill, requested me to take over the business. We came to an agreement, whereby Mrs. Averill's interests are fully protected. and for the last eight months, I have been renewing and placing all Averill lines.

Accordingly, I send you, herewith the following policies, renewals of lines expiring May 22nd:-

Preferred Accident Ins. Co.	F.46768	Auto. Liability	$5/10000.
		Property Damage	5000.
Fidelity-Phenix Fire Ins.	A.53759	Auto. Fire & Theft	450.

Answering your question regarding cheaper rates;- it is true that you can get cheaper insurance in some Mutual Companies, but in my opinion and in the opinion of most brokers you do so at a great risk. In a Mutual you become a self insurer and in case of a great number of loss claims,- if the company was in difficulties, they have the right to levy an assessment upon you and can force you to pay this assessment.

When you intend going to Connecticut, if you will notify me, I will see that you get the Return Premium due you. You can always reach me in Flushing, after 7 P. M. Phone- Flushing 9-9505.

Very truly yours,

Francis Embree de Raismes
